## Forde Abbey Promotion

Forde Abbey is a treasure in an area already known for its outstanding beauty. More than 900 years of history and romance are encapsulated in this elegant former Cistercian monastery and its 30 acres of award winning gardens

The amazing variety found in this stately home makes it a wonderful place to spend a day for all ages and an ideal destination for group visits.

However Forde Abbey is more than a museum piece. It is a family home and very much a living, working estate.
